  - b. 4:30 p.m. Girls 5k Race
  - c. 5:15 p.m. Boys 5k Race
  - d. 6:00 p.m. Awards near the finish line
2. Teams Competing: Blue Hill/Red Cloud, Deshler, East Butler, Franklin, Freeman, Harvard (Girls), McCool Junction, Shelton, Silver Lake
3. **PARKING**
  - a. **All fans should enter Camp Kateri through the Parking Zones 1, 2, and 3 Entrance and Exit shown on the map if they plan on arriving before the meet and staying for the duration. If fans plan on leaving the meet early, it may be best for them to park along the gravel road in Parking Zone 4. Please park far enough over so through traffic can traverse the roadway. There will be parking attendants to direct those entering the camp who are not parking on the gravel road.**
  - b. **Please notice on the maps that the Parking Zones 1, 2, and 3 Entrance/Exit is also a part of the course. People who park in this area will need to arrive before the fun run at 3:55 or will have to wait until after 4:10 when the fun runners have run by and leave after the conclusion of the races. That entrance will close for good at 4:25. Nobody will be allowed in and out of those parking lots from 4:25 until the conclusion of all races.**
  - c. **If you arrive before 3:55, and know you have to leave early, you can enter through Parking Zones 1, 2, and 3 Entrance and Exit and park in Parking Zone 3. The exit for this parking lot does not interfere with the course. This parking lot will be a first come, first serve basis. Once it is full nobody will be allowed into this lot.**
  - d. **If you plan on arriving late or leaving early and Parking Zone 3 is full, then you will have to park on the gravel road to the north of Camp Kateri in Parking Zone 4. This is the road you will be driving on to enter the camp.**
4. QR code stations will be posted throughout Camp Kateri that will have pertinent meet day information for meet attendees. This QR code will provide access to fan maps, meet information, top course performances, and course records.
5. The map includes course markings every 400 meters and also every 1000 meters so viewers can have an idea of where runners are at in a race. All of these locations identified on the map also have a t-post with a banner, indicating those distances on the course itself.
6. Please note where the bathrooms are located on your map. There is a unisex bathroom on the east side of the bathroom building and male and female bathrooms with multiple stalls on the west side of the bathroom building.
7. Up to date meet information for coaches, athletes, and fans will be posted on the @mccoolmustangxc twitter account before and after the meet. Encourage fans to follow that account or check it as meet day nears for up to date meet information including the posting of fan maps, meet information, top course performances, course records, and post-race results.
